# NORTHMONT . . . YESTERDAY, TODAY, & TOMORROW

Dr. Gale T. Mabry  
Superintendent  
2003-20<sup>^^</sup>

Gale Mabry, principal  
Northmont High School  
1978-1979

Dear Parents, Citizens, and the Northmont Community:

The theme for this school year is "Yesterday, Today, and Tomorrow." Our vision is to share with you the rich heritage of Northmont City Schools of which we are so proud.

Yesterday brings our focus to all of the accomplishments of this relatively young school district that opened its doors for the first time in 1959. We are so proud of our thousands of graduates who have gone on to be distinguished leaders in almost every field of endeavor.

Today our schools and students continue to demonstrate the spirit of "Green Pride." This past year Northmont was rated as an "Excellent" school district on the Ohio Proficiency Tests, making us one of four schools in Montgomery County to earn such academic distinction.

Tomorrow brings the promise of even more learning opportunities for our students. Our outstanding staff will continue to meet the ever-changing learning needs of our students by offering a challenging curriculum based on current learning research and supported by the expanding role of technology in our classrooms.

Please be our partner as we continue on our path looking through the "Keyhole to the Future" for continued excellence.

Sincerely,

Dr. Gale T. Mabry  
Superintendent

**We want to hear from you.**

## Members of the Board of Education

Student Board Representative  
2002-2003  
Noelle Spriestersbach

The present Northmont Board of Education members include, left to right: Thomas Walker, Jane Woodie, Linda Blum, president, Bruce Clapp, vice-president, and William Marker.

The Northmont Board of Education is made up of five citizens who are dedicated to providing the best possible education for the students in the Northmont School District. Elected by school district voters to serve four-year terms, the Board's major function is to develop operating policies that will best serve the needs of students. The Board employs the superintendent whose job it is to execute the policies and provide leadership to staff. Regular meetings of the Board of Education are held the second and fourth Monday of each month at 7:00 p.m. at different locations in the district. In June, July, August, and December the Board will meet on the second Monday of the month only. In November they will meet on the third Monday of the month only.

The Board also includes a student representative who is elected by his/her peers to serve a one-year term. Senior Jessica Daniels is the student representative for the 2003-2004 school year.

## YESTERDAY, TODAY, & TOMORROW

Thomas Andrassy  
English  
Northmont High School

Thomas Andrassy, English teacher at Northmont High School, was selected as one of six educators in the North Central Association region to receive the Excellence in Education award for 2003.

Andrassy began his teaching career in the Northmont School District in 1986. He is a member of the district's staff development committee, and co-chairs the school's staff development programs that address both personal and organizational goals. He was Educator of the Year for Northmont High School in 2001, and has been a Martha Holding Jennings' Scholar.

Pictured above, left to right, are: Joy McKarns, Language Arts, middle school, Marlene Henry, sixth grade, Northwood Elementary, Barbara White, curriculum director, Dr. Gale Mabry, superintendent, Deborah Barry, fifth grade, Englewood Elementary, and Bonnie Davis, sixth grade, Phillipsburg Elementary.

Four Northmont teachers have achieved National Board Certification. National Board Certification is a voluntary process established by the National Board for Professional Teaching Standards. The standards for this certification were set by the National Board for Professional Teaching Standards through a 1983 Presidential Commission on Excellence in Education. Teachers must demonstrate their knowledge and skills through a series of performance-based assessments. National Board Certification establishes high and rigorous advanced standards for experienced teachers to demonstrate accomplished practice. National Board Certification promotes better teaching, better learning, and better schools.

Viv Bibler  
Physical Education  
Northwood Elementary

Receiving the Adapted Physical Education Teacher of the Year Award for 2002 was Viv Bibler, physical education teacher at Northwood Elementary. She was selected for this honor by the committee of Ohio Association of Health-Physical Education-Recreation-Dance. She serves as the adapted physical education teacher at Northwood Elementary as the school houses several special units: SLD (Specific Learning Disabilities), DH (Mental Retardation), MH (Multiple Handicapped), as well as a medically fragile unit. She and her Northwood students have raised over \$125,000 for the American Heart Association through Jump Rope For Your Heart.

A piece of Robin Dakin's pottery has been selected by the Ohio Craft Museum for the "Best of 2003" exhibition. A committee reviewed approximately two hundred fifty entries by ninety-nine different artists, and selected eighty pieces by sixty artists for the prestigious exhibition. The exhibition will travel from Columbus to Portsmouth, to Athens, Ohio through November, 2003.

## Notes

Athletic schedules which appear in this calendar were the ones available at printing.

**R**esearch shows that parent involvement makes a big difference. It raises grades and improves behavior and attitude. It's not hard to get involved. Just do things such as ask about your child's learning, meet teachers, and monitor grades. Your efforts will pay off.

### Gift of Time

Your children would probably enjoy this simple gift from you: a coupon for special time together. It lets them know they're important to you. Examples: one-half hour of basketball with Dad. A night out for pizza with mom.

### Healthy Humor

Laughter is a great way to reduce stress and strengthen relationships. Try finding the humorous side of life. Look for joke books at the library or a list of jokes on the Internet, and share a laugh with your child. You'll both feel better.

Students at Englewood Hills Elementary celebrated Earth Day by making window boxes, filling them with soil, and then planting them with flowers. The program was sponsored by Home Depot.

Last summer, Doug Schaefer, a student at Northmont High School, came home from Romania with a first place junior world championship. The competition was the Academy of Model Aeronautic's World Championships. Schaefer had to fly his homemade plane, weighing less than a penny, in the salt mines of Slanic, Romania 500 feet below ground.
